For 18 years, Fluid Solutions has delivered customized fuel systems across the globe. We're growing our team and seeking a **Fuel Systems Specialist** to support international system start-ups, commissioning, maintenance, repairs, installations, and upgrades. This role includes a mix of remote and on-site work, regular client interaction, and international travel for approximately 150 days per year, with each trip typically lasting 1–3 weeks.

What You'll Be Doing:

- Perform start-up, commissioning, service, repair, installation oversight, and training for international fuel system projects
- Review system designs and prepare test plans, service reports, and training documentation
- Conduct domestic travel for factory acceptance tests, site surveys, and training
- Provide remote troubleshooting support to customers and technicians
- Manage team documentation and maintain organized records
- Mentor and support Junior Technicians when needed

What You'll Need:

- Bachelor's degree in a relevant field or equivalent experience
- Hands-on experience with fuel system installation, commissioning, and troubleshooting
- Excellent communication skills
- Willingness to travel internationally and work up to 10 hours per day onsite
- Strong analytical and problem-solving abilities
- Self-motivated and well-organized
- Ability to work independently and represent the company professionally

What's In It for You:

- Health and Dental Insurance: Fluid Solutions currently pays 100% of the employee-only premium. Coverage for a spouse and/or dependents is currently available for a total employee contribution of $100 per week. Benefit plans, coverage options, employer contributions, and employee premium costs are subject to change.
- 401(k) Retirement Plan: Employees are currently eligible to participate after one year of employment. Fluid Solutions currently matches 100% of employee contributions up to 3% of income and 50% of the next 2%. Plan eligibility, terms, and employer contributions are subject to change in accordance with the applicable plan documents.
- Paid time off.
- Company-provided laptop and cell phone.

Note: Compensation and benefits may vary based on experience, qualifications, and company policy. This information serves as a general overview.
